1.2	10/12/2020	G.Morgan	Third Draft
1.3	19/04/2021	R.Elma	Updated for Rhino 7

Introduction

This guide will take you through step by step how to install Rhino 7 on your Windows or Mac PC. Be aware if you are using a Mac with the new M1 Apple Silicon, Rhino is not compatible with these devices yet.

Rhino Account Creation

1. Please go to <https://accounts.rhino3d.com/> and create a Rhino account using your GSA email address. **THIS MUST BE DONE BEFORE GOING TO THE NEXT STEPS**
2. Once the account has been created, log a ticket on the Student IT Helpdesk <http://gsastudents.sysaidit.com/> or the Staff Helpdesk <https://gsaitservicedesk.sysaidit.com/>
3. As part of the ticket, inform IT that you have successfully created a Rhino account and request an invite to the GSAofA Rhino group.
4. Once on the IT Team has picked up your ticket, they will send you an invite to the group via your GSA email address. Please accept the invite, as seen below.

Rhino Accounts

Greetings,

You have been invited by GSA IT to join the team via your GSA email address.

Accept your invitation [here](#).

Thanks,
Andrés Jacobo
Robert McNeel & Associates

5. After accepting the invite, you will be added to the group. Should you have any issues please contact IT.
