GSPA LIBRARY

This Information has been taken from the publisher/supplier's own website. Although we have tried to verify their claims, where possible, some statements may remain unverified

Functionalitie	es			
Read	Online	Offline		
	Υ	Y		
Print	 A small number of DRM-free titles can be printed in their entirety DRM-protected titles have a standard 100-page print limit, though some publishers may have imposed a stricter limit 			
Annotate	Integrated into the embedded online reader			
Compatibiliti	es			
Online Reading	EPUB Y	Adobe Y		
	Titles are provided in either EPUB or Adobe			

	 EPUB files are designed for accessibility and are composed of HTML text that can be used with screen readers and accessibility tools Adobe files are less accessible, and may provide some challenges to screen readers and accessibility tools, though an ASCII layer can be activated A small number of legacy Adobe files may be presented as images, rather than scanned text. These remain inaccessible 					
Offline Reading	Pages/Sections DRM-Free Adobe Digital Editions Pages or sections of all titles are DRM-free when downloaded and can be used with any compatible program, including screen readers and accessibility tools Full-text of most titles are DRM-protected when downloaded and require Adobe Digital Editions. Some screen readers will work with ADE, though some will not Full-text of a small number of titles are DRM-free when downloaded and can be used with any compatible program, including screen readers and accessibility tools					
Screen Readers	JAWS	NVDA	TalkBack	VoiceOver	Read & Write Gold	ClaroRead
	Υ	Y	Y	Υ		

	The embedded online reader includes a fully integrated text-to-speech reader, and in most			
	instances this will provide the most satisfactory experience			
	The external screen readers marked Y above have been specifically tested, but non-tested readers			
	may also work			
	EPUB or DRM-Free files should be accessible with most external readers			
	Adobe files are less accessible, and may provide some challenges to screen readers and			
	accessibility tools, though a hidden ASCII layer can be activated			
Image	As alt tags are supplied by publishers, some files may not be fully compliant			
Description				
Keyboard	Supported. Shortcuts listed at https://connect.ebsco.com/s/article/EBSCO-eBook-Accessibility-			
Shortcut	Guide?language=en US			
Navigation				
Customisation	: Website/Platform			
General	No integrated customisation. User must customise via their browser settings			
Customisation: Embedded Reader				
Background	Uncustomisable			
Colour				

Contrast	EBSCO design standards for minimum colour contrast are applied			
Layout	Uncustomisable			
Magnification	200% +. Compatible with screen magnifiers ZoomText and MAGic			
Font	Uncustomisable			
Requirements				
Browser	Internet Explorer: 11 or later			
	Firefox: Latest version, or the version previous to the latest version			
	Chrome: Latest version, or the version previous to the latest version			
	Safari: 11 or later
